### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

### DESCRIPTION

The proposed legislation would establish an ending date of January 1, 2001, for the grandfathering deadline for a person who is actively engaged in the practice of perfusion to make application to the board and receive a license.

The proposal also allows the Board of Healing Arts to waive the physician or surgeon licensing examination requirements for an applicant who has earned a MD/PhD degree in a program accredited by the Liaison Committee on Medical Education and a regional university accrediting body.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.

This proposal would not affect Total State Revenues.
